IF YOU LIVED HERE...

You and yours will be luxuriating in over 1500 square foot of living space, plus a pristine and private garden to the rear. Inside, your 275 square foot through lounge will be an immediate hit – pale blonde parquet flooring flows in from the hallway, natural light bounces off the immaculate white walls and an ornate vintage hearth makes for a splendid conversation piece.

Next door your kitchen/diner is just as breathtaking. A bank of skylights run down one side, illuminating more parquet floors and a plentiful suite of skyblue cabinets topped with white marbled work surfaces. Sparkling gold fittings and recessed overhead spotlights complete the look, while a matching chef's island with oversized Dublin sink takes centre stage. A wall of bi-folding patio doors means you can throw it all open to your garden.

Out here you have a sunken patio leading up to a glorious expanse of zero maintenance Trulawn, all secluded behind high timber fencing. Back inside and your ground floor's completed by an indispensable, skylit utility room with marbled floors and more skyblue cabinets, plus a handy spare WC. Upstairs now, where your 200 square foot principal bedroom occupies the entire frontage, with plantation shutters on the bay window, floor to ceiling wardrobes and another strikingly restored vintage hearth.

The first floor's finished by two more substantial double sleepers and the first of your two bathrooms, a gorgeous designer shower room in the signature skyblue and white palette, with large format marbled floor tiling. Head into the expertly realised loft extension, where you have an impressive, skylit, 150 square foot bedroom to the front plus your fifth to the rear. Finally your second bathroom brings things full circle, metro tiled from floor to shoulder and with a shower over the tub.

WHAT ELSE?

- You have a private driveway for off street parking, and drivers can be on the North Circular in less than five minutes.
- Parents will be pleased to know that you have seventeen primary/secondary schools, all rated 'Good' or 'Outstanding', less than twenty minutes walk away. The 'Outstanding' Churchfields Junior School is less than ten minutes walk.
- You can be exploring the vast woodland wilderness of Epping Forest less than two minutes after stepping out your front door. You'll forget you're in London.

A WORD FROM THE OWNERS...

"Our family have loved living in this area and making this house our home. We have extensively renovated, adding a beautiful state of the art kitchen, pantry and double loft extension.

In particular we love how we are mere moments away from the serenity of Epping Forest, with it's acres of woodland and lakes, while also being a short distance away from the bustling high street. South Woodford is full of fantastic cafes, restaurants and the station takes you into central London in less than 20 minutes."
