#### IF YOU LIVED HERE

You'll be enjoying your new home imbued with an incredible eye for designer detail. Your huge dual aspect open plan lounge comes in at 300 square feet with a bay window resplendent in elegant plantation shutters, vintage touches including a ceiling rose and intricate ebony hearth and mantel, plus a dining area overlooking and opening out to the garden. Step out here for a stretch of Trulawn flanked by raised beds and bookended by decking overseen by mature foliage to the fore and a shale nook with shed to the rear. Glorious. Back inside, this time via your floor to ceiling patio doors, and your dual aspect kitchen/diner's a grand 185 square feet enjoying herringbone timber floorboards underfoot, a tower radiator and impeccable suite of sleek white cabinets home to seamlessly integrated appliances. Up to the first floor for two immaculate double bedrooms, the larger coming in at a sizeable 190 square feet with another period fireplace. The bathroom's another incredible on-trend space; chessboard flooring, clawfoot tub, dedicated rainfall shower cubicle and Sacramento green walls. Lastly, head up to the second floor for the gorgeous 180 square foot penthouse complete with twin skylights, great views, a sparkling

en suite and double bedroom next door currently purposed as a dressing room. Blackhorse Road station is a ten minute walk or three minute cycle and will get you directly to Oxford Circus in nineteen via the Victoria line. You're practically right at the top of the line here too, so you'll always get a seat. Alternatively, just one stop in the other direction is Walthamstow Central for speedy City access. If it's a rainy day and you don't feel like walking then hop on the W15 bus from nearby Palmerston Road; it'll also whisk you to Walthamstow Central as well as Leyton, Leytonstone, social hub Francis Road, Spitalfields and Hackney.

#### WHAT ELSE?

- You have twenty five primary/secondary schools within a one mile radius rated 'Good' or better by Ofsted, five of which have been deemed 'Outstanding'.
- Walthamstow High Street is seven minutes away on foot, for a wide choice of shops as well as our notoriously long market. Stroll up the street for a few minutes to come to Walthamstow Mall, the Empire Cinema, aforementioned Walthamstow Central station, our buzzing thoroughfare of Hoe Street and the leafy enclave of justly renowned Walthamstow Village.

#### A WORD FROM THE EXPERT...

"I have worked in Walthamstow for over 10 years, and I still enjoy the buzz in the area. From the scene in Walthamstow Central which offers Collab, Gokyu and the Empire cinema. Take a short stroll to the famous William Morris gallery which is located on the popular Lloyd Park surrounded by beautiful green scenery. Walthamstow Village has been a popular trend for me over the years with its bubbly night life and quirky pubs. My personal favourite is The Village Pub. There are four train stations in Walthamstow. Walthamstow Central, Wood Street, Blackhorse Road and Walthamstow Queens Road. I have commuted to and from Central London from Walthamstow Train Station which takes less than 20 minutes so I can see why Walthamstow has the nickname 'awesomestow'".
