A WORD FROM THE OWNER...

"We have loved our time living at this property. Some of the main features we love the most are the south facing garden space, which is perfect for entertaining in and gets plenty of use from spring to late summer. And the house gets plenty of natural light with the conservatory at the back and large windows in each room. We have enjoyed the quiet neighbourhood which benefits from not being a through road so feels safe and secure. Claybury Park is perfect for walking the dog and only up the road and the friendly cricket club, at the other end of the road, opens their grounds to the local community to use. There are also lots of local lakes with cafes, plenty of dog walking routes and Epping forest is a short drive away. There are also many schools, local shops, restaurants and pubs just a short walk away."
