IF YOU LIVED HERE...

On the right as you step through your front door you'll find your first reception. With a half shuttered bay window, handsome fireplace and 155 square foot of space, it's a bright and beautiful room. Engineered flooring lies underfoot. Next you'll come to your second reception of 135 square foot. This opens out onto your kitchen of the same size, with elegant grey units, and butler sink sitting in wood worktop. Past your WC utility room is your third reception, another 155 square foot space, this time with bifold doors onto your garden.

Out here, your secluded outside space has a paved area giving on to long lawn, all shielded by tall fencing and mature trees. On the first floor you'll find your generous family bathroom, part wood panelled in sage green, with outsize tiling underfoot. There's a vanity sink, rolltop tub and cubicle gooseneck shower. Opposite is your main bedroom to the front, with 135 square feet of space, and built in wardrobe to one corner. In the loft there are two further bedrooms, both solid doubles. Between the two is a neat

skylit shower room, tiled in metro white.

A WORD FROM THE OWNER...

"We have loved being here for the last 10 years, this area will be hard to beat - great cafes, restaurants and a cinema on our doorstep. A short journey into central London. The woods behind the house are a great open space for walks, but it's time for us to move on"
