IF YOU LIVED HERE

You'd love living in this landmark new development, surrounded by great design, with high quality materials and finishes, and cutting edge fixtures and fittings. There are just eleven brand new loft-style luxury penthouse apartments at Regency Court, a development completed in 2006. From the stunning Nedzinc Noir exterior and bespoke aluminium doors and windows, to the anthracite finishes and German hardware, every detail has been carefully considered. The living areas and terraces are orientated to maximise the afternoon and evening sun, and tall ceilings create

an airy ambience. Handcrafted wood flooring and porcelain tiles are complemented by British bronze ironmongery and laser PET-finished kitchens. Each apartment has bespoke built-in wardrobes, stunning copper light fittings and black bronze switches/fittings. And energy-efficiency is at the forefront, with air source heat pumps and heat recovery ventilation. In addition to fabulous views from this high point of the capital residents can enjoy the extensive landscaped communal gardens, a 24 hour concierge service, and super-fast hyperoptic broadband with a speed of 1Gbps. All penthouses have new 250 year leases and a peppercorn ground rent.
