IF YOU LIVED HERE

First off your long hallway is your front reception, with large bay window and 145 square feet of space. Walnut shade engineered flooring lies underfoot, while a pewter fireplace and ornate cornicework draw the eye. Next along is your second reception, this one with 125 square feet of space and the same attractive low maintenance flooring underfoot. Past the stairs on your right is your 120 square foot kitchen. White marbled tiling complements the modern grey units, and a door to the end leads out into your lengthy and fully fenced garden.

Upstairs you'll find your bright principal bedroom of 190 square foot to the front, with its own bay window. Soft carpet lies underfoot. Your second bedroom gives you 125 square foot and a view of the garden, with the walls in a soothing neutral shade. Along the landing there's your tiled bathroom, with modern white suite. Bedroom three is a perfect study or nursery space, again with a garden view.

If you're driving you'll be pleased to find the North Circular close by, and it's under a twenty minute walk to Wood Street, where the Overground will take you directly to Liverpool Street in another twenty. Kitchener Park is a ten minute stroll away, and you're under a mile from lovely Lloyd Park. A quarter of an hour on foot takes you into the ancient woodland of Epping Forest.

A WORD FROM THE EXPERT...

"For me it's the sheer variety you find in each pocket of Walthamstow that makes working and socialising here so enjoyable. Whether it's having a coffee from Perky Blenders, going for a Sunday morning walk in Epping Forest, dropping into one of the local breweries in Blackhorse Road, or catching up with friends in Lloyd Park, the growth and positive changes within E17 have been incredible in recent years."
