IF YOU LIVED HERE...

You enter through your private patio and own front door into this light, bright apartment. You're immediately into your open plan reception room, measuring over 290 sq ft, this large is perfect for entertaining and relaxing, and comes complete with sleek integrated appliances and cosy underfloor heating below the engineered wooden flooring. Decor is neutral and fresh, and wonderfully bright thanks to the floor to ceiling windows that look out to your private patio.

The large double bedroom has lovely carpets and is a perfect size for a range of bedroom furniture. The state of the art bathroom has plentiful storage, including mirrored wall hanging cupboards, and a sparkling suite including a waterfall shower over the large tub. This development is part of the East Village, originally built for London 2012.

You have fab communal gardens on the first floor, and are moving into a great community. With the Olympic Park a short stroll away, you can bask in the Olympic legacy, take a spin around the velodrome track, do a few lengths in the swimming pool or enjoy the Wetlands Walk.

WHAT ELSE?

-Stratford Station is half a mile from your door and benefits from being on both the Central and Elizabeth Line, which handily speeds you through the City and Central London out as far as Heathrow and beyond. With London at your fingertips, you're perfectly placed to explore the city. You also have Stratford International close by, which has regular trains to Kings Cross St Pancras and out of the City to Margate - perfect for a sunny day trip!

-You are in the perfect location to travel by bike, with Victoria Park and Hackney a very short cycle away. These areas need no introduction for their abundance of shops, bars and restaurants, you're sure to spend many a weekend exploring these neighbouring communities.

-Not that you need to look far from your doorstep for some of the best eateries in the area. We love Signorelli for delighted freshly baked goods, and the recently opened Eggslut is quickly becoming a local favourite.

A WORD FROM THE OWNER...

"The flat is very quiet and calm with virtually none of the walls shared with other neighbours and benefits from its own front door which is good for privacy and security. High ceilings make the flat feel spacious and help to keep the flat cool in the summer. The kitchen is also huge with tons of storage space which is perfect for cosy nights in and entertaining. It is a great location close to local shops as well as Westfields and Stratford. Excellent transport links. Loads of great outdoor space with nice works in the Olympic Park and longer walks down the Regents Canal to Kings Cross or the Limehouse Cut to the river Thames. We loved living in this flat for many years with our young family - we will miss it and the East Village community.."
