IF YOU LIVED HERE...

Step inside and your 150 square foot principal bedroom is immediately on your right, with a wealth of bespoke floor to ceiling storage and that huge bay window flooding the mint green walls with natural light. Stately blonde hardwood flows underfoot in here, as throughout. Next door is your bathroom, finished in cream and grey with a shower over the neatly recessed tub.

Your kitchen's next, neatly decked out in pine cabinetry, with stout blue worktops and white splashbacks. Then everything blossoms out into your glorious, 210 square foot lounge, with smoky grey statement trim, pristine white walls and patio doors offering direct access to those impressive communal gardens. Out here there's a vast expanse of lawn surrounded and bisected by thriving foliage. Back inside and bedroom two completes things.

Outside and, as noted, South Woodford's social hub of George Lane is just a five minute stroll. Here you'll find warm, welcoming gastropubs like The George Itself, as well as the bright Railway Bell, another local favourite. Cafes, shops and supermarkets complete the amenities. There's also the landmark, Art Deco Odeon Cinema, just five minutes from your new front door.

WHAT ELSE?

- South Woodford tube is just ten minutes on foot, for regular, speedy and direct connections to the City and West End via the Central line.
- If you ever fancy a change of scene, the bustling High Street of Wanstead Village is well worth the twenty minute stroll of a weekend, for a further delectable choice of cafes and gastropubs.
- You have side access to that substantial communal garden. South facing, it's a great spot for soaking up the sun and getting to know the neighbours.

A WORD FROM THE OWNER...

"The property is very well located on a quiet cul-de-sac, close to local amenities and schools, and Epping forest starts at the end of the street which is excellent for a walk/run. We really like the layout of the property, it really doesn't feel like a flat as it has an open plan living room/kitchen and a view towards the garden, which is very nice and well maintained. The street has an excellent community with a Whatsapp group full of friendly neighbours that support each other."
