IF YOU LIVED HERE...

Thanks to the beautiful interior design you'll be able to make yourself comfortable from the day that you move in. Awash with natural light from the generous double glazed sash windows, your front reception room will form the heart of your home, with the feature fireplace, serene colour palette, striped wood flooring and custom carpentry all notable highlights. Meanwhile, at the rear you'll find your stylish kitchen, where thoughtful touches include the bespoke cabinets and butler basin.

The bedroom is just as immaculate, as is the bathroom, which has glossy bottle green metro brick tiles and an over-tub shower. Even the hallway has been stylishly designed, with

Sisal carpeting and pendant lighting.

Bow and Mile End Bow are both excellent neighbourhoods for accessing attractions across the entire capital, but the apartment's own direct neighbourhood is full of brilliant amenities. The Lord Tredegar, The Coborn, Morgan Arms, and The Lord Morpeth are four great pubs within a short minute stroll. A similar distance away you'll also find Cafe East, an excellent brunch spot, which regularly attracts crowds from across the capital.

You've probably heard of the legendary Roman Road Market, which is within a few minutes of your home - and a great place to pick up essentials or just go for a spot of browsing. And the great news is that this apartment is available immediately, so time to start exploring...

WHAT ELSE?

- Despite the home being situated in such a buzzing hub, it's only a short walk to the 79 acre space of Mile End Park, which was masterfully transformed from industrial wasteland to a sprawling, green oasis, while Victoria Park and the Olympic Park are also nearby, so you're flanked by nature.
- Driver's can be on the North Circular in about 10-15 minutes. You're also less than 10 minutes from the Blackwell Tunnel for easy access to South London.
- Be sure to check out the Chisenhale Gallery, which is situated in a former veneer factory and exhibits shows, screenings and talks by emerging contemporary artists - it's a ten minute walk from your home.
