IF YOU LIVED HERE...

The smart designer highlight of your new home will be your 250 square foot, dual aspect open plan kitchen/lounge. Sleek dark hardwood runs underfoot and floor to ceiling windows open up to your twenty four foot balcony, with commanding rooftop views over Hackney. Back inside your kitchen area's smartly decked out with smooth smoky sand cabinets and white metro tile splashbacks.

Elsewhere your principal bedroom comes with its own floor to ceiling window and boutique en suite shower room, home to an oversized vanity mirror and walk in rainfall shower cubicle. Bedroom two's similarly sized and styled, with pale blue statement wall, and both feature mirrored fitted wardrobes. Across the hall, your family bathroom's another boutique beauty, with the added bonus of a relaxing tub.

London Fields - London's Coolest Park - is just a third of a mile on foot for tennis courts, basketball courts and all sorts of lovely

picnic spots. You can also enjoy the greenery from the comfort of The Star By Hackney Downs, a lovably eccentric, fairground gastropub on the park borders, offering delicious food alongside a sunny beer garden karaoke and regular stand up comedy. Sure to become a new favourite.

WHAT ELSE?

- Hackney Downs overground station is just five minutes away on foot and will get you straight to Liverpool Street in nine. A door to door dream for City commuters
- There's plenty of substantial extra storage in your hallway. Always a welcome addition to London apartment living.
- Mare Street, the epicenter of Hackney's legendary nightlife, is just ten minutes' walk from your new front door, home to headline attractions like The Hackney Empire and Hackney Picturehouse, as well as lesser known finds like Paper Dress Vintage...

A WORD FROM THE OWNER...

"We love the south-facing view, making the house always bright and sunny, even in short winter days, and the view over London skyline and Hackney green. The house is also cozy and warm in winter, which we really enjoyed. We like its location, 5 minutes away from two over ground lines and with buses conveniently driving by. We've enjoyed evenings at the local pub, the Pembury Tavern, and at local cafes at Clapton and towards London Fields. We like the bicycle room and using our bikes to reach the many markets and cafe' scattered around the area. We can easily walk in 5 minutes to the beautiful and quite Hackney Downs park. The communal garden of the building is also another perk for a quick stroll during the day. And there are yoga classes, a supermarket and The Vincent Cafe', all conveniently located in the square adjacent to the entrance into the building. We've had an easy life in this apartment, which made us feel like as part of the city with its views, whilst very much rooted in the local area and all that Hackney has to offer."
